

List of Tables

Contents	Pages
<i>Chapter 2: Chemical Investigation on Astavarga Plants and Study of their Anti-oxidant Property</i>	
Table 1: Members of Astavarga Plants.	23
Table 2: Natural distribution range of Astavarga plants.	25
Table 3: Medicinal uses and formulations of Astavarga plants.	41
<i>Chapter 3: Self-assembly study of Stigmasterol in organic liquids</i>	
Table 1: Self-assembly studies of stigmasterol.	54
Table 2: Thermodynamic parameters (ΔH° , ΔS° , ΔG°) for gel to sol transition of gels of stigmasterol 1 in different liquids at 298 K.	57
<i>Chapter 4: Vesicular Self-Assembly of Crotoembraneic Acid</i>	
Table 1: ^1H (300 MHz) and ^{13}C NMR (75 MHz) data of crotoembraneic acid (1) in CDCl_3 .	83
Table 2: Self-assembly crotoembraneic acid 1 in aqueous binary solvent mixtures.	85
