

Declaration

I do hereby declare that this research work embodied in this thesis entitled “*Impact of Vitamin B₁₂ And Folic Acid on arsenic induced Female reproductive status of albino rats*” is a record of independent research work and has been carried out by me in the Department of Biomedical Laboratory Science & Management, Vidyasagar University, Midnapore, West Bengal, India under the supervision Dr. Sandip Chattopadhyay (Associate Professor, Dept. of Biomedical Laboratory Science & Management, Vidyasagar University) and Dr. Smarajit Maiti (Associate Professor & Head, Dept. of Biochemistry, Oriental Institute of Science & Technology). I am also asserting that this is a unique part of work and has not been presented partly or in full for any other degree or diploma to this or any other University or Institution.
