Acknowledgement

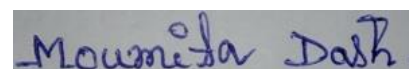

I expressed my sincere thanks to everyone for completing my research work and fulfilled my thesis. I would especially like to thank my respected guide Dr. Sandip Chattopadhyay, Associate Professor, Department of Bio-medical Laboratory Science and Management, Vidyasagar University for his endless inspiration, enthusiasm, valuable advice, guidance, support and assistance, without which it would not have been possible for me to complete the present work.

I would also like to thank USIC, Vidyasagar University for providing the infrastructural facilities to perform my research work.

I would like to thank my colleagues Mr. Bimal Deb, Mrs. Hasina Perveen, Mrs. Moulima Maity, Miss Shamima Khatun, Mr. Arindam Dey, Mr. Suryashis Jana for their assistance and encouragement over the last few years.

My sincere thanks go also to all of the faculty members and laboratory staffs of Bio-medical Laboratory Science and Management, Vidyasagar University, without whose hearty co-operation it would not be possible for me to complete this Ph.D. work.

Special thanks to my beloved parents, family and the people who are closest to my heart for their strength, encouragement, moral support and patience they have given me. I would also like to thank my husband (Aditya Pal) who supported and incited me to strive towards my goal.
