

## ACKNOWLEDGEMENT

I would first like to extend my sincerest gratitude to my research supervisor, Prof. Rabindra Nath Jana, for his valuable guidance, supervision and constant encouragement. It would be impossible for me to fulfill my dream without his constant inspiration.

I would like to express my intense honour to my well wisher teacher, Prof. Sanatan Das for his knowledgeable, expert guidance and advices for accomplishing this work. I also acknowledge my deep respect to Prof. M. Maiti, Prof. M. Pal, Prof. S.K. Mondal, Prof. S. Roy, Prof. D.K. Maity, Dr. G. Ghorai, Dr. R. Giri and Dr. K. Barman, Department of Applied Mathematics with Oceanology and Computer Programming, for their endless support and encouragement during the progress of the work.

I offer my sincere thanks to my friends Dr. Shovan Lal Maji for his incipient as well as constant help. I also express my sincere thanks to my beloved friends Dr. B.C. Sarkar, Dr. S.K. Guchhait, H.K. Mondal for their endless support. I am very grateful to Dr. Hasibul Beg for his continuous enquiry about the progression of my work and giving encouragement to complete my work. I would be very amiss if I don't thank Mrs. Aparna Das and Mrs. Gayatri Jana for their affection and co-operation throughout my research work.

For the extremely efficient and important help in perspective to my research work, I am indebted to my husband, Dr. Mrinal Jana. I feel special love and affection to my son Rounak who enlighten me with his innocence.

Finally, I would like to thank my mother and my brother, Mr. Subrata Patra for providing conducive environment and support in the completion of the work. I also always remember the kindness of the all family members of my supervisor.
