

## Acknowledgements

It is a beautiful moment of all jubilation and euphoria to me because of the candid endeavor that has so far been made, be it small or large in this thesis, in illuminating the unexplored domain of knowledge in “Availability of Edible Marine Molluscan Fauna found at Digha Coast and Studies their Nutritional Value”.

I would like to express my humble regards, indebtedness and immense sense of gratitude to my Supervisor, Dr. Joydev Maity, Assistant Professor, Department of Aquaculture Management & Technology, Vidyasagar University, Midnapore - 721102 for his noble supervision, valuable suggestions, untiring academic guidance, constant encouragements and critical comments all throughout the research endeavor. His sleepless effort, prudent direction and all sorts of support and for the preparation of this research paper can never be forgotten.

I place my cordial thanks to the Honourable Vice Chancellor of Vidyasagar University, Dr. Ranjan Chakrabarti for his best wishes and all sorts of administrative help to carry out and complete this research work.

I am sincerely grateful to Dr. Subrata Kumar De, Dean, Faculty of Science, Vidyasagar University, Midnapore – 721102 for supporting this course in Department of Aquaculture Management and Technology and all sorts of administrative help to carry out and complete this research work.

I express my deep sense of gratitude to different faculties of Department of Aquaculture Management and Technology, Vidyasagar University, Midnapore – 721102 viz. Dr. Basudev Mandal and Dr. Manoj Pati, for their cordial inspiration and encouragement throughout my Ph.D. work.

I owe a great deal to the members of the Ph.D. committee of Vidyasagar University, Midnapore – 721102 for their kind critical suggestions and recommendations for my research work.

No thanks will be sufficient enough for Mr. Partha Chattopadhyay, FEO, Sahid Matangini Development Block, Purba Medinipur, West Bengal for discharging me from official duties, his immense supports, inspiration excited me to intimate such type of work.

I extend my sincere thanks to Dr. T. K. Chatterjee, Formerly Scientist – in - Charge, Digha Marine Aquarium and Regional Centre, Zoological Survey of India, Digha, Purba Medinipur, West Bengal and Dr. Anil Mahapatra, Officer - in - Charge, of the same centre for giving me suggestions for my research work.

My sincere thanks go to Sri Prasad Chandra Tudu, Assistant Zoologist, Digha Marine Aquarium and Regional Centre, Zoological Survey of India, Digha : Purba Medinipur : West Bengal for helping me in species identification and valuable suggestions during my research work.

I extend my sincere thanks to Dr. Sachhidananda Bhattacharya, Former Reader & Head, Department of Zoology, Kharagpur College, Kharagpur for helping me giving valuable times, suggestions, encouragements for my research work.

Special thanks are being expressed to Dr. G. Rajeswari, Principal Scientist and Officer - in – Charge, Central Institute of Fisheries Technology (CIFT), Visakhapatnam Research Centre, Vizag, Andhra Pradesh, India and other scientists of the same institution specifically Dr. Viji. P. (Scientist), Dr. Jesmi Deb Barma (Scientist) and Dr. Dhiju Das (Laboratory Technologist) and other staffs for helping me in biochemical analysis of edible cephalopods meat.

I wish to express my heartiest thanks with great pleasure, to my entire research colleagues for their pleasant co- operation both in the field and in the laboratory.

Last but not the least, acknowledge to Dr. Babulal Sasmal, Laboratory Assistant, Department of Aquaculture Management and Technology, Vidyasagar University, Midnapore – 721102 for extending his helping hands in all sorts of laboratory works.

I want to record my deep sense of gratitude to all molluscs collector from Digha coast Sri Bhuban Chandra Jana, Sri Goutam Jana, Sri basanta Giri, Sri Chandan Giri, Sri Kali Charan Patra, Sri Sudhir Maisal, Sri Malu Malakar, Sri Nanda Barik, Sri Galu Sahoo, Sri Ramani Das, Sri Shaktipada Bera, Sri Nitai Pradhan, Sri Naba Kumar Latua, Sri jharu Maji, and Sri Babu Jana for helping me to collect molluscs during this research work.

Finally I would like to thank my every family members specially my wife, Mrs. Basanti Samanta Das for providing time, her upliftment tendency, high ambition, constant support, encouragement, help in field works and also computer works, and my daughter Miss. Moumi Das for allowing me time for this adventurous work.

Date: 17.05.2019

Place: Midnapore
