- 2) NSS Unit
- 3) Misc.

8

Resolution

① Resolution of previous meeting confirmed.

② Three class rooms are required for accomodation of 50-60 students per class room (around 1500 ft² each).

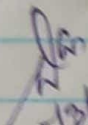

Two smart rooms are essential for running two courses (BMLSM & CMD) in the dept. One wash room is needed for teacher-cum-staff in the dept. Existing air conditioning system (no. 5) is needed to repair for running teaching and lab. work. A total of seven new air conditioning system is required to install in class rooms & laboratories. Two large practical rooms reqd.

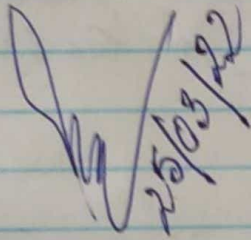

A real-time PCR system is needed following the course structure & fulfillment the lab work. An existing cold-centrifuge instrument has been ~~proposed~~^{requested} for repairing.

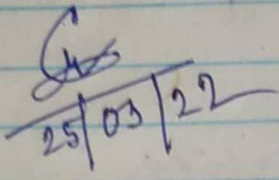

A Millipore water system is urgently required to install at USC^{for common use}. One Aquaguard drinking water system is needed in the dept. Maintenance/repairing of major instruments is required urgently.

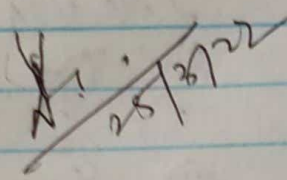

Space & Infrastruc facility is required for ~~at~~ set up of dept. library.

(5) The student strength has been sent to NSS coordinator
~~unit~~ ^{proposed the name of} Dr. Chandra Mallick as program officer.
