RESOLUTION OF THE DEPARTMENTAL COMMITTEE MEETING

Date: 12.07.2022

Venue: Department of Physics, Vidyasagar University

Agenda:

1. To discuss about the prayer for enhancement of 'Annual Chemicals/Small Scale Items Grant'

Members Present:

1. Prof. Radha Raman Pal, HOD
2. Prof. Paresh Chandra Jana
3. Prof. Satyajit Saha
4. Prof. Surajit Ghosh
5. Prof. Swarnendu Sarkar
6. Dr. Kuntal Chatterjee
7. Mr. Biswajit Das

Resolution:

1. The resolutions of last DC meeting are confirmed.
2. It is observed that the cost of recurring items required for M.Sc. practical labs for 120 students (namely Solid state Lab, Electronics General Lab, Electronics Special Lab, Advanced Physics Lab, Computer Lab) and M.Sc. Project works for 60 students is much higher than the allotted grant of Rs. 50,000/- per annum under 'Annual Chemicals/Small Scale Items Grant'. The cost of electronics components, Chemicals and characterization charges are increasing day by day and the total the cost is far beyond the allotted grant. Earlier we used to manage somehow the project costs from our UGC SAP /DST FIST grants, but at present those funds are not available. So, to maintain the standard and quality of M.Sc. practical and project works the enhanced financial support from university authority is urgently needed.
3. In this context departmental committee resolves that a prayer to the authority should be placed for increasing the 'Annual Chemicals/Small Scale Items Grant' to at least Rs 2 lakhs.

The meeting ended with thanks to the chair.
