3. Action Taken Report (ATR) of the student's feedback regarding evaluation of teachers of the Department of Zoology for the session 2019-20

The above matter has been placed as an agenda in the meeting of **Departmental Committee on 18.04.2022 (Meeting no. ZOO/DC/03/2022 Dated: 18.04.2022)** and after threadbare discussion getting inputs from different teachers of the Department, the following observations and decisions have been taken.

- a. The reports submitted by M.Sc. students of Semester III, 2021 and subsequently analyzed by the University Authority have pointed out overall satisfactory performances of all teachers of the Department towards discharging their responsibilities towards the fulfillment of the academic requirements of the Department.
  - b. The teachers of the department are advised to adhere strictly to their best performances, as revealed by the marking more than '4' but should be more careful on the evaluation criteria where they got less than '4' .
  - c. The students expressed their views in general to experience more practical classes , field oriented training , and also get more relevant academic materials , especially supports from the library .
  - d. The departmental committee has stressed upon more on the regularity of taking classes as well as completion of maximum parts of the syllabus as per as possible.
4. **Excursion of Semester- II:** Departmental committee has requested Prof. Jayanta Kumar Kundu and Dr. Biplab Mandal to conduct the academic excursion of Semester –II (2022) at Khangchendzonga National Park, North Sikkim and adjoining areas for field study on faunal diversity and high-altitude ecosystems. The academic excursion is the major part of the syllabus (Course No. ZOO295). Departmental committee has also requested Dr. Priyanka Halder Mallick to be part of the said academic excursion as female faculty representative.
5. Departmental committee has unanimously noted the project proposal entitled "studies on characterization and functional efficacy of phytochemicals responsible for antioxidant and immunostimulatory properties from *Curculigo orchioides* rhizome of Dr. Sagar Acharya as Co-PI to SERB Govt of India.
