Resolution 1. The resolution of the previous meeting was read and confirmed in the meeting.  
Resolution 2. The members of departmental committee have decided to make necessary addition and alteration in the ppt of departmental profile as per the recommendation of NAAC Peer Team (Mock visit).

Resolution 3. The D.C. is unanimously recommending the 'Journal of Coastal Sciences' (ISSN 2348-6740) for inclusion in the UGC core list as many research works of our department is carried out on coastal studies using geospatial techniques. The research works published in the journal are very very useful for our students and scholars interest.

No other discussion took place in the meeting.  
The meeting is ended with vote of thanks to  
the chair.
