Student representatives.

AGENDA: 1) To read and confirm the resolutions of the previous meeting.

2) To discuss and consult about the problems and complaints and suggestions of the 1st and 3rd semester students.

3) Misc.

COMPLAINTS / PROBLEMS, SUGGESTIONS & RESOLUTIONS TAKEN: -

All the faculties of the Department of Philosophy and the Life-world were present in the teacher-student committee meeting held on 8th Day of January 2025 from 12pm onwards at the departmental HOD office. It was unanimously decided that the department would meet 1st and 3rd semester students representative separately. After the meeting the department find some common problems faced by both semester. At the same time some distinct observations

and complaint lodged by each of the student representatives of each of the semester.

Common problems and Resolutions:—

1. Female representatives of both the semester complained against the very unhygienic infrastructural facility of the one and only ladies toilet existing in the departmental corridor. Problems are as follows:—

a) The toilet possess only one bucket and two mugs. More buckets and mugs are required as the toilet is used by a huge number of female students of at least three departments of the entire Arts faculty of Vidyasagar University: Philosophy, Santali, Bengali (and sometimes Sanskrit also).

b) Two locks are damaged within the toilet and it requires immediate repairing.

c) No hand wash and sanitary napkin vending machine is available within the toilet. These causes severe health related problems of the female students.

d) Alternative toilet existing in the Second floor is completely unhygienic and very dirty.

Resolutions:— It is resolved that the department will write a letter to the University authority to solve the problems as soon as possible, and to consider the matter very seriously as this is a repeating problem faced and complained by each and every semester students.

2. All the representatives complained that some of the window glasses are broken and some of the fans and lights are damaged in the departmental classrooms.

Resolutions:- It is resolved that the HoD will write a letter to the engineering sections of the university to take necessary action regarding this matter.

Specific observations and suggestions and complaints of the third semester students:

1. All the representatives complained that till 8th January 2025 the review result of 1st semester ^{held on 2023} is unpublished.
2. They requested on behalf of the physically challenged students to arrange alternatives of stair case to up and down flexibly.
3. All the students requested for more and more board work for the better understanding of each and every class lecture.
4. Some of the student representatives showed interest to read original English and Bengali/Sanskrit text for the better understanding of the subject.
5. They requested to publish class attendance of each and every student on regular basis in the departmental notice board so that they can know the exact status and further requirements of their class percentage.

Resolutions:-

- 1'- The HoD is requested to find out the exact justification of the delayed publication of the first semester review result.
- 2'- The second issue is an infrastructural matter completely subject to the decision of the university administration. Nevertheless it is resolved that the department will communicate to the authority to inform the matter.
- 3'- As the third suggestion is completely a matter of faculty wise subjective decision, the department

cannot take any resolution regarding this issue.

4'- It is resolved that as some of the courses of the subject of philosophy is completely a matter of theoretical speculation, it would almost be impossible to do bored work. This is cannot be entertained for the sake of the subject.

5'- It is resolved that HOD will be requested to look after the matter and if possible to notify the class attendance monthly in the departmental notice board.

The third semester representatives ended with thanks to the department for the installation of exhaust fans to their classrooms.

Specific observations and suggestions and complaints of the first Semester students:

1. All the representatives requested to the department for installation of spot light ^{for board} in the room no 210 & room no. 211. They point out that, ^{two} Spot lights already installed in the room no- 212 & 213.
2. All the representatives requested to the department for giving permission to put indoor plants to the departmental corridor.
3. The cordially requested to the department for some badminton rackets so they can play in the university garden according to their free time.

Resolutions :

- 1'- HOD is requested to write to the competent university

authority to resolve the matter.

- 2- As the 2nd and 3rd issue are almost of the same category it is resolved that the department to encourage to the students to put indoor plants for the beautification of the departmental corridor. The department eagerly thanks to all the students to show interest in playtime. Last but not the least the department will support financially for buying indoor plants. and will sponsor badminton rackets for the ^{sale of the} students' mental health.

The meeting ended with thanks to all the competent authority, faculty members of the department, students representatives for their valuable and interesting suggestions, rest of the students and all the scholars fraternity and non-teaching staffs for their unconditional and spontaneous support.
