The HOD, Dr. Syamir Khan took the Chair and welcomed the Parents, on behalf of the Department.

1. The parents expressed satisfaction about the University, particularly on various programmes like the youth Parliament.

The parents at times find the schedule as too demanding, but overall, they are satisfied.

The parents also pointed out problems like transportation facilities, especially the train timings, but also appreciated that they are beyond the control of the University.

2. Parents said that lectures should be delivered in English.

The Department responded that since the overwhelming majority of the students are from Bengali medium, we first deliver the lectures in Bengali, then repeat them in English. The parents appreciated our point.

Overall, the parents have very positive impression about the Department. They pointed out that their wards do a lot of university assignments at home.

With nothing else to discuss, the Meeting ended with thanks from and to the Chair.
